- IMPORTANT INFO to Please Include in your PayPal Payment -

- Please note the item number(s) or the name(s) of the item in the “message” box in PayPal. The item number is the very first two-digit number and two letters in the item description.
 - Please make sure your address is the correct verified address with PayPal. This is the address to which your item(s) will ship.
 - Please make sure your name on the PayPal account matches your name on Facebook and if not, provide your FB name in the “message” box. Otherwise, we may have trouble determining who you are.
- Payment by PERSONAL CHECK must be prearranged with an Admin; please contact either Linda Bassett (VP, Auction Chair) or Elaine Chaney (President) via Facebook Messenger regarding the request or any questions you may have.
- WHAT HAPPENS NEXT-
 - Upon receipt of your payment, either a TSRF Admin will ship your items or they will notify the Donor(s) of the items and provide them with your shipping info and advise them to ship your item(s) as soon as possible
 - Your items may ship from separate places and arrive at different times. If your items were posted by a TSRF Admin, we will do our best to combine shipping to save you money. If the item(s) you won is NOT from a TSRF Admin, you will have to negotiate the shipping terms and/or amount directly with the Donor. You may have to pay the Donor directly or as per their donation description. TSRF is not involved in this process.
 - Upon receipt of your item(s) please post a comment on the auction page to let both TSRF and the Donor know you have received the item!

Thank you for your generous support of TSRF! We hope to see you next year at the Auction!

It's OK to add an additional donation or to “round up” your donation to your PayPal payment if you would like!
Thank you!
